DON'T JUST TAKE MY WORD FOR IT

I've been very fortunate to have worked with some really great employers, coworkers, project managers, and clients. I've been even more fortunate that they have nice things to say about me. Check out some flattering testimonials here: <http://debutcreative.com/testimonials>

You are also invited to contact some of them about me!

Tim Lum // Pixel Flex

Subcontractor / Subcontractee / Colleague

Tim is a long-time friend from college. Over the years he and I have collaborated on several projects together, often sub-contracting one another. In 2003 Tim and I placed fourth nationally in a Marketing competition for the Association of Canadian Community Colleges (ACCC).

Scott Clark // Clark Communications *(formerly Benjamin James Marketing Communications)*

President / Long time Arley supporter

In addition to being a community leader, Scott is the man behind Clark Communications; a full-service marketing agency in North Bay. When I told him I would be moving 500km away to Kincardine Scott was adamant that we maintain a business relationship, and we've done lots of great work since.
